MLB Transactions (from ATMgr for BBW)

December 26, 2014

Opening Day Rosters come directly from the transactions files provided by gamers for ATMgr for BBW (Automatic Transaction Manager (ATMgr) is a program for APBA's Baseball for Windows (BBW).

WEBSITE: https://groups.yahoo.com/neo/groups/ATMgrForBBW/info

Not all seasons are available, but 1936 to 2013 is a complete run. There are seasons going back to 1901.

Both TEXT and EXCEL files are uploaded. All seasons are in one file. You will need to filter out the season (by year column) for single seasons.
